Kahler®

Beet & Balkon

For trays, tables and displays

# marking systems

Kahler labelling systems can be used indoors and outdoors and give your customer a clear view of prices and offers.
All the labelling systems are made from hot-dip galvanised sheet steel, excellently finished and weather-resistant. The labels/signs are easy to exchange and – if installed properly – they are wind-proof.
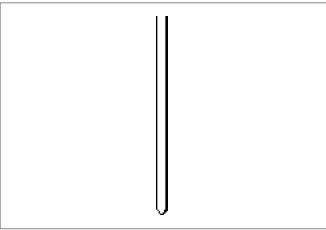

Material: hot-dip galvanised sheet steel
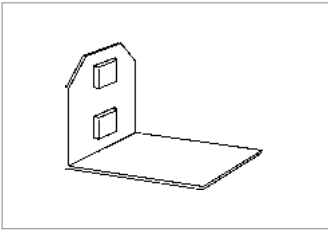

Stand, single, for rod
**GL 1500 000 850**
Order no.: GL 1500 000 814
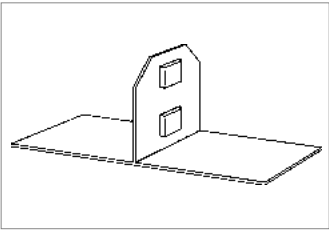

Stand, double, for rod
**GL 1500 000 850**
Order no.: GL 1500 081 4/1

Labelling rods made from VA steel to be driven into the earth and for sticking on labels
30 mm wide, 5 mm thick
Length: 500 mm
Order no.: G5 1500 V00 050

Ground spikes made from T-iron for a fixture with locking clips
Length: 1250 mm
with welded-on locking rail and cross rail at a height of 250 mm
Order no.: GL 1500 920 125
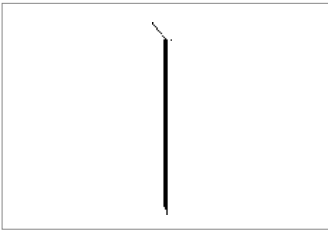

T-shaped ground spike for fixture with locking clips
Ground spikes made from T-iron for a fixture with locking clips
Length: 1,000 mm
with welded on locking rail
Order no.: GL 1500 920 100
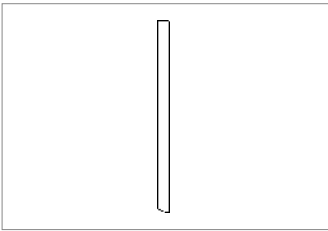

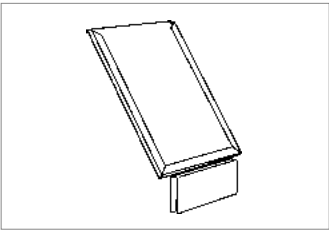

Rods for fixtures with locking clips

Length: 400 mm
Order no.: GL 1500 850 040

Length: 600 mm
Order no.: GL 1500 850 060

Length: 800 mm
Order no.: GL 1500 850 080

Length: 1,000 mm
Order no.: GL 1500 850 100

other lengths on request

Fixture for inserting into plastic boxes

for pictures, 210 x 140 mm
Order no.: GL 1500 000 816

for pictures, DIN A5 215 x 150 mm
Order no.: GL 1500 008 116

for laminate, 218 x 155 mm
Order no.: GL 1500 081 16L

for pictures, DIN A4 290 x 210 mm
Order no.: GL 1500 008 216

for laminate, 305 x 217 mm
Order no.: GL 1500 082 16L

Fixture with locking clip for rod with Order no.: GL 1500 850 and Order no.: GL 1500 920

for pictures, 210 x 140 mm
Order no.: GL 1500 000 810

for pictures, DIN A5 215 x 150 mm
Order no.: GL 1500 008 100

for laminates, 218 x 155 mm
Order no.: GL 1500 081 00L

for pictures, DIN A4 297 x 210 mm
Order no.: GL 1500 000 820

for laminates, 305 x 217 mm
Order no.: GL 1500 082 00L
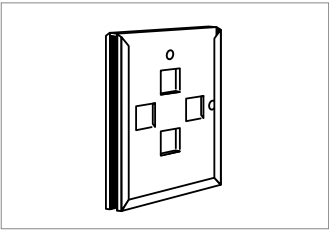

Fixture with clip-on clamp, 3 mm

for pictures, 210 x 100 mm
Order no.: GL 1500 080 2/3

for pictures, 210 x 140 mm
Order no.: GL 1500 081 2/3

for pictures, DIN A5 215 x 150 mm
Order no.: GL 1500 812 0/3

for pictures, DIN A4 297 x 210 mm
Order no.: GL 1500 082 2/3

(with clip-on clamp, 5, 10, 15, 20 mm on request)

Fixture with locking clip on both sides for rod with Order no.: GL 1500 850 and Order no.: GL 1500 920

for pictures, 210 x 140 mm
Order no.: GL 1500 081 3/0

for laminates 218 x 155 mm
Order no.: GL 1508 130 / 0L

for pictures, DIN A4 297 x 210 mm
Order no.: GL 1500 082 3/0

Fixture with U-hook on both sides for hanging up, and with locking clip for rod with Order no.: GL 1500 850 and Order no.: GL 1500 920

for pictures, 210 x 140 mm
Order no.: GL 1500 813 /20

for pictures, DIN A5 215 x 150 mm
Order no.: GL 1508 130 /20

for pictures, DIN A4 297 x 210 mm
Order no.: GL 1500 823 /20

The aluminium advertising panel
All panels with slide-in edge for DIN A5

Advertising panel 2.000 x 216 x 1.5 mm
Order no.: G8 0454 000

Advertising panel 2,500 x 216 x 1.5 mm
Order no.: G8 0455 000

T-support for aluminium advertising panel
Stand length: 800 mm
Stand height: 700 mm
Order no.: G8 0456 000

1 The height of the superstructure made from aluminium square pipe with 2 longitudinal struts for hanging advertising signs and panels over them is adjustable. Thickness of the longitudinal struts is 15 mm, height 1,200 mm.
