copenhagen 14 functional

reduces
losses!

Reduces the area by up
to 50% with a single
movement!

Copenhagen 14 is designed so that your employees can easily reduce the display area by 25% to 50%. All shelves can be adjusted to a straight or slanted position in just a few simple steps. Flexibility that always guarantees perfect product presentation.

All tiers can be
adjusted to be
straight or slanted!

copenhagen 14 hygienic

Copenhagen 14 impresses with a well-thought-out concept that enables effortless cleaning – ideal for the fruit and vegetable area, where hygiene is paramount.

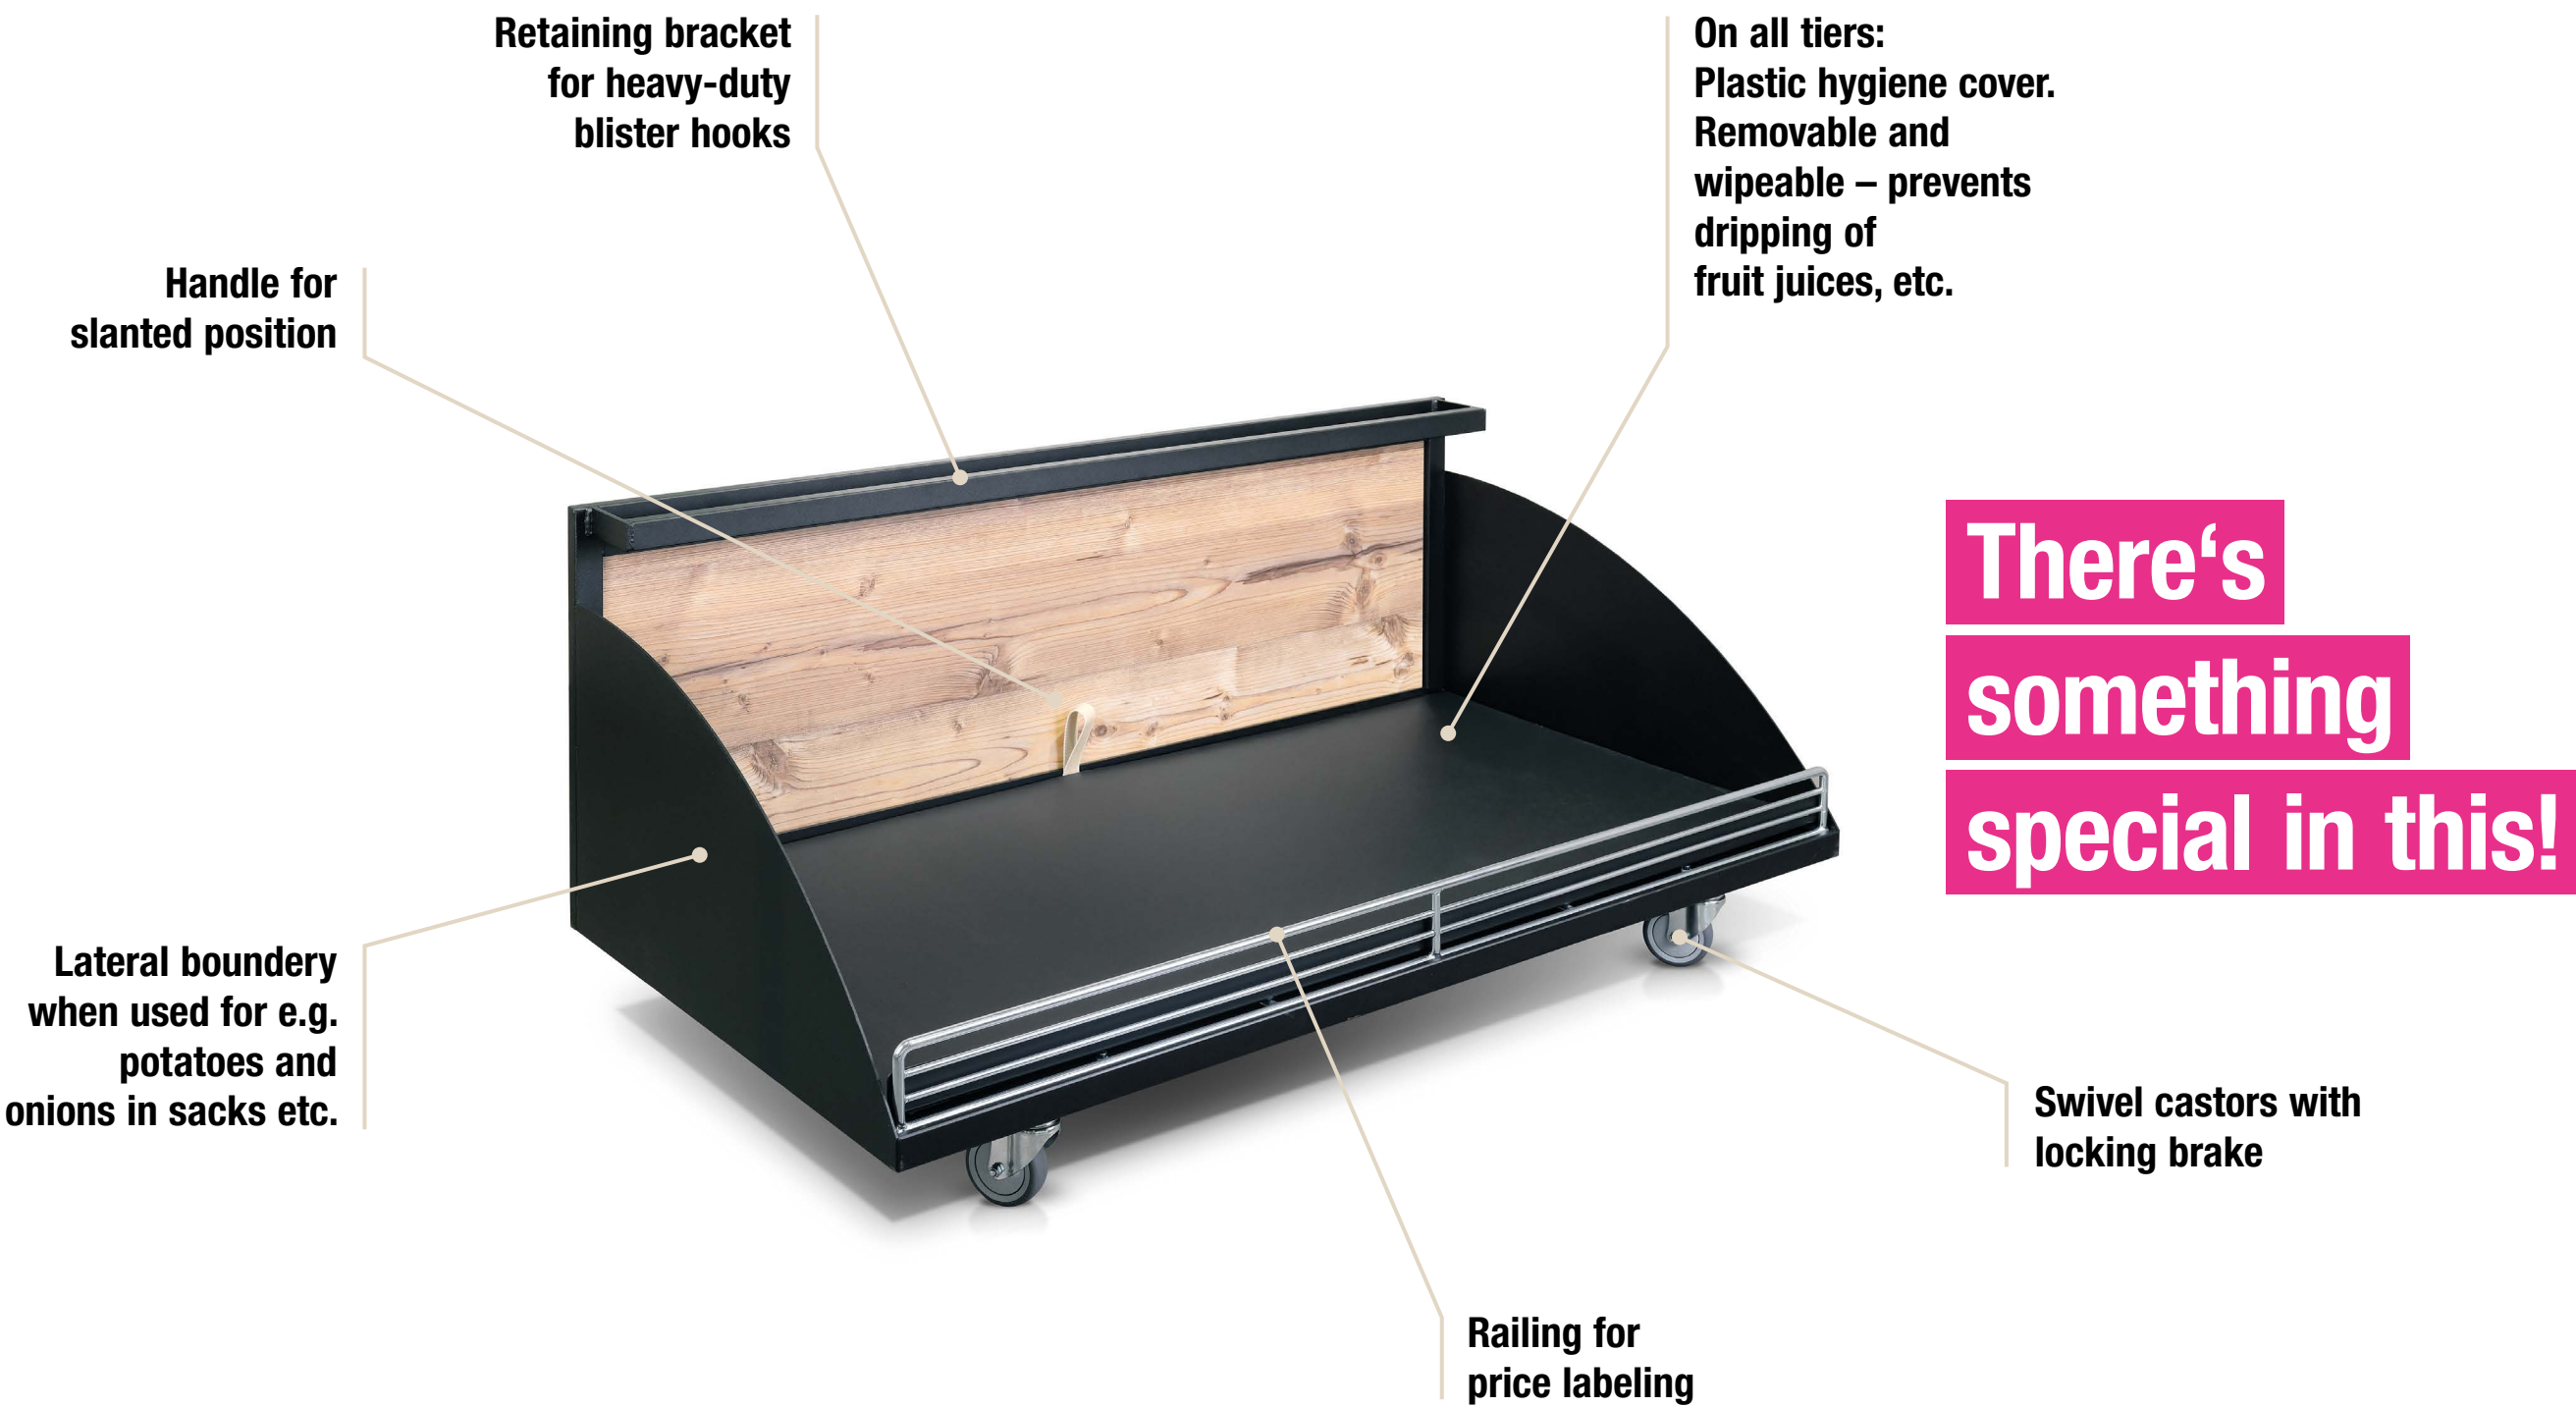

**Hygienically perfect:
Easy floor cleaning!**
