Combined display for pallets and buckets

3 tiers with a total of 5 rings with a diameter of 250 mm to hang up 10-litre buckets or to deposit pallets make this combined display very versatile. The pallets are safeguarded from slipping off by a raised edge.

- Material: hot-dip galvanised steel
- Height: 1,100 mm
- Length: 700 mm
- Depth: 610 mm
- Tiers: 650 x 310 mm
- Distance between tiers: 400 mm
- Wheels: ø 75 mm solid rubber grey, non-marring 2 locking brakes

Hot-dip galvanised combined display without buckets

Order no.: G4 1505 R3L 075

Accessories:
10-litre silver bucket
Order no.: G6 0505 Z00

Flower stand

- Material: hot-dip galvanised steel
- Length: 1,290 mm
- Width: 460 mm
- Height: 1,030 mm
- Wheels: 75 mm solid rubber, grey, 2 wheel-locking brakes
- Insertion tray: 1,260 x 420 x 45 mm, grey plastic with drain and with a removable residual water tank
- Vases: plastic, zinc-grey ø 200/100 mm, height 220 mm

Flower stand complete with 8 vases (vase height 220 mm) and insertion tray

Order no.: G4 1507 RWL 075

Accessories:
Vase plastic, zinc-grey ø 180/85 mm, height 410 mm
Order no.: G6 0520 KVH

Sales stand, collapsible

Mounted tiers are height-adjustable and inclinable in 100 mm stages. Bottom level is stationary.

Available in three different heights and two different widths (see next page).
